JACQUELYN MacCONNELL

Have you ever been in a threatening situation but didn't know what to do? Lieutenant Jacqui MacConnell, the Owner and Manager of NetCatAZ, New Era Tactical Communication & Training, says "You cannot prevent being a target, but you CAN prevent being a victim." Regardless of your size or gender, Jacqui will provide tips and tactics to improve your personal safety, and habits that will help protect you in every day life.

Lieutenant Jacqui MacConnell has been with the Phoenix Police Department since 1994. She has worked in Patrol, Sex Crimes, Advanced Training and Drug Enforcement. Lieutenant MacConnell became a student of martial arts in 1985. She has studied Kenpo, Tang Soo Do, street fighting, and Krav Maga. She is a certified Defensive Tactics Instructor with Arizona P.O.S.T. and has taught Defensive Tactics at the Arizona Law Enforcement Academy since 2000. Lieutenant MacConnell has used the basic tips that she provides in her seminars throughout her career during contacts with citizens and suspects. Jacqui graduated from Arizona State University in 1993 with a degree in Criminal Justice. While employed with the Phoenix Police Department, she pursued and received her Master's Degree from Northern Arizona University in Educational Leadership. Jacqui is also a graduate of Gavin de Becker's Advanced Threat Assessment and Management Academy.
